Step up to the challenge

- Each child pays £1 to take part
- Each child walks 2,000 steps every day in the school week during World Autism Awareness Week (26-30th March) which is 10,000 steps in total
- 2,000 steps is equal to 1 mile (or a brisk 15 minute walk) so the children will be walking an extra 5 miles that week, which is super healthy!
